## Public Service Announcement

Dear Dance Family,

The City of Long Beach has issued an advisory urging residents to remain indoors and refrain from any physical activity due to hazardous air quality affecting our community from the LA Fires. In light of this, and with the safety and well-being of our dancers as our top priority, we have made the difficult decision to close Gravity Dance Company until it is safe to resume operations.

As we kick off this new year filled with excitement and passion for dance, we must recognize that our health is paramount during this stage of emergency. It is our social responsibility to heed the advisement of local officials during this emergency.

Our hearts go out to our dancers, staff and families who are managing pre-existing health conditions that have worsened due to the poor air quality, and those who are or have families with homes and businesses in the affected areas. Please know that you are in our thoughts, and we hope for the swift recovery and well-being for all this tragedy has impacted.

We want to assure you that our staff are actively monitoring the situation and will provide updates on our plans to reopen. In the meantime, we encourage you to visit our website, where you will find our Fire Safety Plan along with a special gift from us to you- **complimentary unlimited classes for the month**, including exciting **new** additions to our schedule, to enjoy once it is safe to return. We will update you when classes will resume. **Visit [www.gravitydanceco.com/lafire](http://www.gravitydanceco.com/lafire) for more information and to sign-up for unlimited classes.**

Our thoughts are with all those affected by this tragic emergency. Together, as proud residents of the County of Los Angeles, we will overcome this and come back stronger. Let's continue to Play for LA and support our community during this time.

Stay safe and take care of yourselves and your loved ones. Please feel free to contact us with any questions or concerns. We are here for you.

***With gratitude,***
